

College of Finance and Statistics,  
Hunan University,  
109 Shijiachong Road, Changsha  
China

*Citizenship:* China  
*Birth:* July 1992, Shanghai  
*Phone:* (86) 13621857352  
*E-mail:* [yijiefei@hnu.edu.cn](mailto:yijiefei@hnu.edu.cn)

## CURRENT POSITION

2026.7- Associate Professor, Hunan University

## PAST POSITIONS

2021-2025 Assistant Professor, Hunan University  
2020 Short-term Consultant, World Bank

## EDUCATION

2015-2020 Ph.D. in Economics, Singapore Management University  
Dissertation: *Essays on Time Series and Financial Econometrics*  
Committee Chair: [Jun Yu](#)  
2014-2015 M.A. in Economics, University of British Columbia  
2010-2014 B.A. in Economics, Shanghai University of Finance and Economics  
2012 Exchange Student, University of Canterbury (New Zealand)

## RESEARCH FIELDS

Econometric Theory, Financial Econometrics, Empirical Finance

## PUBLICATIONS

- 1 [Multivariate stochastic volatility models based on generalized Fisher transformation](#) (with Chen, H. & Yu, J.), ***Journal of Econometrics***, 251, 106041, 2025
- 2 [Spurious significance under shifted mean](#), ***Empirical Economics***, 70(42), 2026
- 3 [A joint test of predictability and structural break in predictive regressions](#), ***Empirical Economics***, 67, 985–1013, 2024
- 4 [Forecasting GDP with many predictors in a small open economy: forecast or information pooling](#) (with Chow, H.K. & Han, D.), ***Empirical Economics***, 65, 805–809, 2023
- 5 [Limit theory for mildly integrated process with intercept](#), ***Economics Letters***, 163, 98–101, 2018
- 6 [On IVX-based structural break tests in predictive regressions](#), ***Applied Economics Letters***, 16, 1535–1545, 2024

## WORKING PAPERS

- 1 [Clustering for block correlation models](#) (with Chen, H., Wang, Y. & Yu, J.),  
*R&R at Journal of Econometrics*
- 2 [Time series regression with mildly integrated errors](#) (with Lui, Y.L. & Yu, J.),  
*R&R at Journal of Econometrics*
- 3 [Multivariate stochastic volatility model with block correlations](#) (with Chen, H. & Yu, J.), *R&R at Journal of Business & Economic Statistics*
- 4 [Counterfactual Analysis and Inference in Continuous-Time Models](#)  
(with Lui, Y.L. & Yu, J.)

## GRANTS & FELLOWSHIPS

National Natural Science Foundation of China, Youth Fund (type C), PI  
Provincial Natural Science Foundation of Hunan, Youth Fund (type C), PI  
Fundamental Research Funds for the Central Universities in China, PI  
SMU Presidential Doctoral Fellowship for Interdisciplinary Research  
SMU Ph.D. Full Scholarship  
UBC International Student Tuition Award

## CONFERENCE PARTICIPATION

- 2026            SoFiE conference (Macau), AMES (Hong Kong), ESEM (Dublin), IAER  
                  Econometric Workshop (Dalian)
- 2025            ESWC (Seoul), ICES (Harbin), YEAP meeting (Beijing)

## TEACHING EXPERIENCE

*Hunan Univeristy* (instructor)  
Financial Econometrics (Master/PhD), 2026 Spring  
Mathematical Statistics (undergraduate), 2021-2026 Spring  
Time Series Analysis (undergraduate), 2022-2025 Fall

*Singapore Management University* (TA)  
Economics of Globalization (undergraduate), 2019-2020  
Intermediate Macroeconomics (undergraduate), 2017-2019  
International Macroeconomics (PhD), 2017  
International Macroeconomics (undergraduate), 2016

*University of British Columbia* (TA)  
Economic Analysis of Law (undergraduate), 2015

## **SKILLS**

Software     Matlab, R, L<sup>A</sup>T<sub>E</sub>X, Stata, EViews

Languages:   Mandarin (native), English (fluent)

Other           CFA (passed level II), FRM (passed both parts)
